Walk to School Week

15-19 May

As part of our Travel Smart Week, you can come on a Travel Smart safari with us by making an active and environmentally friendly journey to school next week!

We welcome your support in encouraging the children to follow in the footsteps of the wildebeest herd each day. They can be Striders and walk to school for all or part of the journey, or join the Rollers travelling by bicycle or scooter. Those who can't stride or roll to school can be Riders and travel to school by car share or parking five minutes away from school and walking the rest of the way. More information is available in the *Going Wild* leaflet and on the posters around school. Each day, our Active Travel Ambassadors will be there to meet our Striders, Rollers and Riders with Wildebeest stickers.

Friday 19th May - Happy Shoesday!

To end our Travel Smart Week and to remind us of the importance of active travel and walking to school, we will be holding a happy shoesday. We want the children to make their shoes happy by giving them a makeover. Add a splash of colour, some ribbon, beads, wings or stickers. (**No sandals/crocs, no rollers/wheels, knee high boots or high heels please!**) So, dust off those magical pumps, wellies or shoes! It's time to make your feet happy!

Science Outdoors

With all the lovely weather we have been having recently, we have had many opportunities to take our learning outdoors, learning about plants and animals in the orchard in our science sessions.

Muddy Mondays

Willow Class and Sycamore Class enjoyed a lovely Muddy Monday walk together this week through the woods. They were leaf detectives! They looked carefully at different leaves that they found to identify the name of the tree that it had come from. They were amazed at all the different trees that they found.

SUMMER TERM (Correct at the time of printing)

| | |
|----------|---|
