

Friday 9th November 2018 Number 4

Space Science at Yealmpton Primary School

Children at Yealmpton Primary School had a fantastic day of space shows by Space Odyssey presenter Simon Ould.

Inside the space-dome, they learnt all about the solar system and beyond. This was followed by a question and answer session for the children in years 5 and 6 where the children had the opportunity to discuss the topic of space exploration further.

After school, Simon delivered a further session in the dome where children were invited to bring their parents to share what they had been learning. This was very popular with 25 adults and 35 children enjoying learning about space and space exploration together.

Reflection Garden

As a school, during assemblies and PSHE lessons we have been learning about our school values in:

- Be Kind
- Be Respectful
- Be Fair
- Be Responsible
- Be Positive

We have been supporting the 2018 Poppy Appeal and linked to 'Be Respectful' we have worked hard to clear the school courtyard and created our own 'Reflection Garden' a tribute to our fallen heroes and to mark the end of the WW1 centenary by saying thank you to all who served, sacrificed and changed our world. School Council have been helping us plant some new flowers, and we have displayed our very own Poppies made in the style of the Tower of London Poppies.

Autumn Term 2 2018

(Correct at the time of printing)

P.E Kit

Please could parents make sure your child/ren has their full P.E kit with them at school including plimsolls. We no longer keep any spares in the office so it's important that P.E kit is kept at school during term time. Thank you.
