7<sup>th</sup> September 2017

Dear Parent,

This term Year 3 and Year 4 are studying rivers for our topic. On Friday 15<sup>th</sup> September, we will be walking the children down to the River Yealm. There, the children will complete river sketches and carry out river investigations for our inspire session (how fast does the river flow? Does the river flow at different speeds around a bend? What happens to pebble size, the further from the bank you go? How does water depth change across a river?). The children are advised to wear wellington boots so they may carry out research in the very shallow parts of the river. Any child not wearing wellington boots will still be able to come, however won't be allowed to go in the river. We will leave school at 9.30am and be back in school for 12pm. If you would like to accompany us on the activity, please indicate below.

Best regards,

Mr R Pepper

---

I would like to come on the river study. Yes / No
