Dear Parents,

RE: Chestnut Class Morning Routines

We are pleased with the way that all the children have settled into Chestnut Class. A big 'thank-you' to all parents for your support with this.

It is now nearing the end of term 1 and in order to establish more independent routines can all parents of Chestnut Class children please make sure that you say your goodbyes from the school front entrance from next week. The children have a good understanding of how to organise themselves throughout the school day and we would like to encourage them to do this during the morning routine as well. This will also ensure that we do not have large numbers of parents walking through the main school in the mornings and learning for all classes can start promptly.

Chestnut cloakroom is open from 8:45 until 8:55 am and all children are expected to arrive within this time.

Punctuality, as you can understand is very important, and the teachers will start to take the register at 8:55 am, ready for the first lesson to commence soon after. If you have a message for your class teacher please ensure this is shared well before 8:55 am. An appointment will need to be made with the office if you require a longer discussion at a mutually convenient time.

After the school front doors are closed, if on the rare occasion you are running late, report to reception and they will take any information for the school day.

Many thanks for your continued support,
