Friday 5 January Number : 6

Help UNICEF to reach even more children in danger by donating your old unwanted shoes at your nearest Clarks store. If you bring them into school and pop them into the Clarks box we will take them to the store for you.

Your shoes will help to change children's lives by buying educational equipment such as the 'School in a Box'. 'School in a Box' can transform any space into a learning area, with enough resources to educate 40 children, allowing them a chance to learn, no matter where they are, or what disaster has struck them.

Clarks have been working in partnership with UNICEF since 2008 supporting the education of vulnerable children by raising money through shoe donations. Shoe Share drop off points are in more than 500 Clarks stores nationwide.

UNICEF is the world's leading organisation for children, ensuring more children are fed, vaccinated, educated and protected than any other organisation. UNICEF works with families, local communities, partners and governments in more than 190 countries to help every child realise their full potential.

## Supporting our Neighbours

Local residents are working hard to keep the grassed areas and gardens close to school well maintained. Whilst walking to school please use the pathways rather than the grassed areas - this will help to keep these areas tidy and prevent them becoming muddy short cuts as well as helping to maintain good relations with our neighbours.

## Spring Term 2017

18.01.18	Drop Everything And Read 9:00am DEAR
26.01.18	Parent Forum
02.02.18	Reading Open Morning 11:00 am

26.03.18	KS2 Dance Sharing Afternoon
29.03.18	Easter Service 10:45 am
(Correct at the time of printing)	

## Transport to sporting events

Schools have been advised that they should not co-ordinate parents in transporting children to out-of-school sporting events as they might otherwise be liable in the event of an accident.

When children are invited to participate in a sporting event, we will therefore be asking parents to make the transport arrangements between themselves. Parents who are unable to make suitable arrangements are asked to contact Mr Hardman as a limited number of spaces may be available in teaching staff cars. We are grateful for your understanding and support!
