

Pine and Oak Class Creative Homework

Our geography topic this term is 'Money, money, money!' We will be learning about trade with a particular focus on the hosts of the 2014 and 2018 FIFA World Cups: Brazil and Russia. We will also be learning about Fairtrade.

Here are some options for your creative homework for this term. If you have your own ideas for a project, please let us know!

	<p>Explore the work of a Russian or Brazilian artist - perhaps Wassily Kandinsky or Romero Britto. Create a piece of artwork inspired by your chosen artist.</p>
	<p>Create a poster to persuade people to buy Fairtrade products. What products are available? What are the reasons people should buy Fairtrade? (As part of your research, you could also investigate whether everybody agrees that the Fairtrade movement is effective.)</p>
	<p>Create a piece of writing inspired by the 2018 FIFA World Cup - perhaps a story, diary entry or newspaper report explaining how you won the World Cup for your country!</p>
	<p>Investigate traditional Brazilian or Russian dishes and have a go at creating your own. Create a presentation with photos of your dish, the ingredients you used and your recipe.</p>
