

Topic: Down in the Jungle

Chestnut and Elm

Creative Homework Summer 1 2018

Create an acrostic poem for the word RAINFOREST, or one of the named Rain Forests, e.g. The Amazon.

Identify and label on a map locations where rainforests can be found. Then draw the four layers/strata of a rainforest. Finally draw at least 3 animals that live in the Amazon Rainforest.

Paint a picture of a rainforest.

Write a factual report about an animal that lives in the rainforest. Think about which layer of the rainforest it lives in, what it would eat and what special characteristics it has, to survive.

Create a poster telling people why the rainforest should be saved.

Create a 3D model of a rainforest. Show the 4 main layers.

Design and make your own recycled musical instrument, for example, a coffee can drum, a digeridoo, maracas, chimes, Xylophone and record a tune with it.
