

Topic: Invasion

Visit a local museum or stately home. Take some photos of your day and present what you learned in any way you like. Perhaps you could make a scrapbook or create a power point?

Think about a day in the life of an Anglo-Saxon and role play a typical day. Remember:

- Choose actions
- Clear movements
- Linked actions
- Clear beginning and end

You can video it or perform it in class. Feel free to join up with friends to make a drama group!
