Extra-curricular and Extended Schools

We have a strong provision in extra-curricular activities, run by school staff and outside providers. We provide wrap-around care through our breakfast club and the externally run after-school club.

Our school has an active parent association called FYVS (Friends of Yealmpton Village School). Great events include school discos and cinema nights, fayres and cake sales!

We also welcome parents to Coffee mornings where there is a forum to spend time and converse with Senior Staff and governors. This is an important opportunity for parents to contribute positively to school life.
