Dear parents

Sex and Relationship Education

In the week of 8th July, Year 6 are due to have Sex and Relationship Education sessions that will focus on puberty. These sessions will comprise:

- A presentation that will cover the physical, psychological and behavioural changes caused by puberty.
- Separate Q&A sessions for the boys and girls with myself and Mrs Collins in which the children will have the opportunity to address any questions, concerns or misconceptions they may have.

If you would like further information on any of these sessions, please let me know. Parents are welcome to view the presentation on puberty and I will, of course, be happy to discuss any questions that you may have.

If you would like to withdraw your child from these sessions, please complete the slip below and return it to me by Friday 5th July.

With thanks
