

Let's travel back in time to meet the terrifying Tudors.

During this half term, we'll meet a very important figure from history who will give us a problem to solve. We'll use source materials to create a Tudor timeline. Tudor portraits will provide us with the inspiration to create royal paintings; we'll learn a courtly dance and compose Tudor music. Our geography skills will help us to compare maps of Tudor London to present day London and plot Anne Boleyn's journey to her execution. Internet research will help us learn more about Henry's life, his marriages and his break from the Roman Catholic church.

At the end of the ILP, we'll create and perform a rhyme to help us remember key dates from the Tudor period. In PE, we'll learn some dance moves and hold a Tudor 'dance off'. Maybe some of the Tudor royal family will be the judges!
