

Friday 8th November - Number 4

### Lest We Forget

In order to support the Royal British Legion Poppy appeal, the Yealmpton Enterprise Club has come up with the idea to sell the ceramic poppies that the children made in school two years ago.

The money raised from selling the poppies will be split between supporting the Royal Legion poppy appeal and our project to raise funds for a mindfulness area in the school courtyard.

The Poppies will go on sale on Monday with a minimum starting price of £5.00 (we would love to be able to sell them for £10!). We have made every effort to label each poppy with the child who made it.

### Music Mark

We are thrilled to have received the Schools Membership of Music Mark, a national organisation and Subject Association for Music Education. Our nomination for this membership has come from our local Music Hub who has recognised the value that we place on music.

This is a result of us submitting regular updates and feedback on the children's access and engagement in music education at Yealmpton which includes regular weekly singing assemblies, termly concerts, private music lessons, an active choir and a broad and balanced music curriculum.

### Children in Need

In support of the Children in Need appeal, we will be having a 'wear spots to school' day next Friday where the children are invited to dress up in spotty clothing and bring a £1 donation. We will be having Pudsey biscuits at break time so there will be no toast. Thank you for your support.
