

Collect some Autumn leaves of different colours. Can you collect ten and count them?

Create your own den! This could be in the woods or even in your garden. You might like to take a photo to share with us in school.

Go outside and enjoy the leaves. What sounds can you hear? What can you see? What can you smell?

Paint an Autumn picture. You could collect and paint some conkers or a picture of the Autumn trees.

Create an Autumn scrap book.

Potatoes are harvested in Autumn. Potato printing is a great way of creating your own pictures.

Play a game of conkers!
