

Raging Rivers - Y3/4 Homework Grid Autumn 1 2017

<p>Draw a poster showing all the different features of rivers e.g. rapids, waterfalls, etc.</p>	 <p>Write a poem about a river or river creature. It could be a concrete (shape) poem or a kenning.</p>	<p>Make a comic strip version of the water cycle. Could a water droplet be your main character?</p>	 <p>Write a story with a river theme. Maybe there is a river monster or the river creatures come to life! Use your imagination.</p>
<p>Maths: Find the lengths of the world's 5 longest rivers. Write the lengths in order from shortest to longest.</p>	<p>Maths: At a river's estuary people enjoy sailing. Draw some symmetrical designs for a sailing boats sails.</p>	<p>Maths: Create 5 word problems based on a river theme. Remember to include the answers!</p>	
<p>Draw or paint a picture of a river scene. You could use water colours or try a different style of painting e.g. pointillism.</p>	<p>Compare two different river scenes by the artist Claude Monet. Explain which you prefer and why? What colours and objects can you see in the paintings? Ask your teacher for a copy of the two pictures.</p>	<p>Create a collage using recycled materials of something to do with a river e.g. a waterfall, river creature or river scene.</p>	 <p>Make a model of a boat. This might be a sailing dinghy, barge, canoe, tanker or any other boat you might find on a river.</p>
 <p>Find out about the work of the RSPB and how they help to protect the habitats of birds that live around rivers. Write a paragraph about the work they do.</p>	<p>Find out about the work of the RSPB and how they help to protect the habitats of birds that live around rivers. Write a paragraph about the work they do.</p>	<p>Find out about the work of the RSPB and how they help to protect the habitats of birds that live around rivers.
