A partner school in the Westcountry Schools Trust (WeST)

Friday 3rd September 2020

Dear Parents,

It has been lovely to welcome everyone back to school this week, our wonderful school is full of chatter and a buzz of learning which feels great! We are very proud of all of the children, everyone has settled in really well and they have eagerly started their new topics.

Be Kind - All the classes have been thinking about an important school value. The children have created colourful bees and have explored the meaning of being kind to oneself and each other.

Changeable Weather - at the moment, the children need to bring a coat into school everyday so we can make the most of the times when we can go outdoors.

alone we can
do so little.
together we can
do so much...

Helen Keller

Drop off and Pick Up - We need to make a slight change to the arrangements to make them work. From Monday 7th September three classes will use the back of the school and four classes will use the front of the school.

- **Foundation, Year 2 and Year 3** Willow gate at the back of school
- **Year 4 and Year 5** Side entrance bottom pathway (near tennis courts)
- **Year 1 and Year 6** Side entrance top pathway (same as this week)

Drop off/pick up Waiting Areas - The new drop off and pick up will work with everyone's help. Please pick a place to wait away from the school gates (the turning circle or community car park.) Once the gates are open we need to work together to ensure the children enter/exit whilst observing social distancing. By slightly staggering the times we are hoping it will become more manageable.

Morning : 8:40 am 8:45 am or 8:50 am Afternoon 3:15 pm or just after

Thank you for your continued support as we endeavour to adjust these changing times.
Wishing you all a lovely weekend!
