WESTCOUNTRY
SCHOOLS TRUST

Thank you!

Everyone has been so helpful this week supporting the children and staff in making the necessary adjustments to enable the new routines to work smoothly, it is very much appreciated.

One Change!

From Monday 14th September, Year 6 and Year 5 will swap classrooms. This will help us get the best possible use from each class room space and accommodate the number of children in each class.

Willow Class

A huge welcome to all the children and their families in Willow Class. The children have had lots of fun this week exploring their new learning areas, making new friends and meeting their teachers.

Sycamore Class

We have had a great start to our new school year with lots of brilliant work. We've been getting into the new routines of Year 1 and being in our bubble, and Mr Butcher has been really impressed by all the lovely smiley faces coming into school every day. We've had our first Wild Tribe session and went on a nature hunt. Mr Butcher says we will do this every term so that we can see how the season's change in our school grounds.

Beech Class

What a wonderful first full week. We enjoyed the autumn sunshine and went on a scavenger hunt in the orchard. We found lots wiggly worms, apples, spiders, mushrooms and even a toad! We have looked for signs of Autumn and done some beautiful leaf rubbings too.

Chestnut Class

There have been brilliant discussions and ideas shared about the importance of responsibility and kindness. The children drew pictures which represented kindness with chalk on the playground. All the colours together really looked beautiful. We have explored the wonderful and unusual items we can find in our dreams using the book 'Jack and the Dreamsack'.

Elm class

Everyone has really enjoyed their outdoor learning this week. They investigated the shape of the leaf and used it as a stencil to create their own leaves filled with a range of different patterns. They thought about the different line and tone that they could use. Well done, Elm Class!

Pine Class

In English, Pine class have been busy mapping out our exciting new story 'Kensuke's Kingdom' by Michael Morpurgo. We took our learning outside and created some 'freeze frames' of our favourite events from the story so far.

Oak Class

Oak class had a fun time this week pond dipping and using sketch books to explore lines in nature. Everyone is enjoying their Wild Tribe lessons and they should be proud of their amazing leaf sketches.

Being the Best you can Be

Be Positive

Be Responsible

Be Fair

Be Respectful

Be Kind
