A partner school in the Westcountry Schools Trust (WeST)  
Thursday 11th March 2021

**WESTCOUNTRY**  
SCHOOLS TRUST

Dear Parents/Carers,

It has been wonderful to welcome the children back to school and there has been a buzz of excitement with lots of big smiles - happy children, happy teachers and doubtless some happy parents too! We are working hard to keep the children in their class bubbles as we want to do everything we can to minimise the risk of having to send children home to isolate. Thank you for your support with this beyond the school gate, keeping to specified drop off and pick up times and procedures and wearing masks in the vicinity of the school which will all help to minimise risk of transmission between families.

### School Uniform

We're proud of our school uniform. It gives our children a sense of belonging and identity and the values we share. Wearing school colours gives children a sense of identity with the school, which helps to encourage a community spirit. We expect all children to wear the school uniform and we thank parents for supporting this.

We want to open things up in a controlled way and as part of this we will be moving into changing for P.E in the summer term. Our priority will always focus on keeping classrooms open so the children can attend school.

### P.E

Children to wear black or navy jogging bottoms or leggings and red P.E T-shirt with their school red sweatshirt, should this be needed and trainers/plimsols. In the summer term we will move to changing into P.E at school.

### Wild Tribe

On Wild Tribe days children should wear long trousers and long sleeved tops with waterproof coat and wellington boots/trainers. No fashion clothes please. If you are able to adhere to the school colours this would be helpful. In the summer term we will move to changing into Wild Tribe at school.

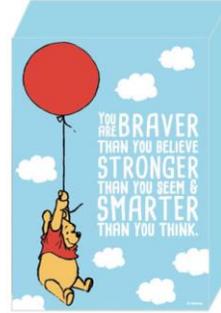

### Keeping us all safe on the school site

Could we please remind all parents/carers to park considerably away from the school site when collecting/dropping off children at school. We have noticed already this week that cars are coming onto the school site to turn around and for the safety of the children, keeping the school turning circle free of cars means that the school site is as safe as it can be at drop off and pick up times. Where possible we would like to encourage as many families to walk to school to avoid traffic congestion on site and in Stray Park. Thank you.

Take care,

*Louise Young*

Head teacher

Balloons bring a smile to start our day,  
Our lovely school is full of children again,  
Learning and playing together,  
What a great day to welcome you all back.
