

# Yealmpton Primary School

[www.yealmpton-primary.devon.sch.uk](http://www.yealmpton-primary.devon.sch.uk)

A partner school in the Westcountry Schools Trust (WeST)

Dear Parents,

As you will be aware, the positive Covid 19 cases are on the increase nationally and in Plymouth and we have a number of children and staff isolating at the moment due to close contact with a positive case. We have needed to close two class bubbles but with everyone's continued cooperation and vigilance and following our system of controls and the DfE guidance, we hope to keep the remaining class bubbles open until the end of term.

Remote learning is up and running in the two classes working from home and whilst some teachers are also working remotely from home, we still have five classes attending school. Thank you for your support during this time, please email the office if you need any support and we will do everything we can to help the children both at home and at school.

### Autumn Class Timetables

We anticipate returning to the normal routine of changing for PE/Wild Tribe at school at the beginning of the autumn term. Please send your child to school with their clothes to change into on their PE/WT days. Please see your child's timetable slot below.

	Monday	Tuesday	Wednesday	Thursday	Friday
Willow	WT			PE	PE
Sycamore		WT	PE	PE	
Beech	WT		PE	PE	
Chestnut		PE		PE	WT
Elm	PE		WT		PE
Pine		PE	PE	WT	
Oak	PE	WT			PE

### Parent Pay

Could we enlist your support to ensure that all payments due for trips or school lunches are completed by Friday 16<sup>th</sup> July. This really helps us as it reduces the time and resources in liaising with families.

### School Uniform

Again could we enlist your support and ask that you liaise with the Admin staff to collect any uniform before Friday 16<sup>th</sup> July. The office will not be open for uniform collection on the last two days of term. Please note we are still awaiting delivery of the age 5/6 uniform but will inform parents as soon as it arrives.

### Communication with School

If you have any queries regarding the next academic year please liaise early with either the office or your new class teacher via class email by Friday 16<sup>th</sup> July. Early in the autumn term parent welcome meetings will be organised.

Wishing you all a lovely weekend when it comes.

Best wishes

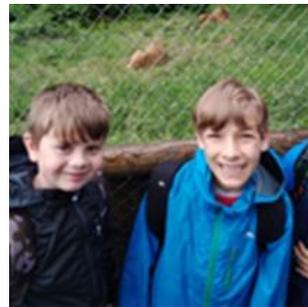

*Louise Young*

## Thursday 8<sup>th</sup> July 2021

### Stover Country Park

Willow, Sycamore and Beech Classes had a really exciting day working together in teams to build dens and pond dipping. It was a lovely day to be outside and we were all excited from start to finish. Everybody worked really hard and enjoyed using some of our art, science and Wild Tribe skills. We had a lovely time and made our teachers really proud!

### Dartmoor Zoo

Year 4 had a brilliant time at the zoo; they found out about a range of different animals and learnt about their habitats. They were lucky enough to have a 'close encounter' with some very interesting smaller animals including a hognose snake. Can you guess why it is called a hognose?

### Dartmoor

Oak and Pine Classes had a truly amazing day, full of fun and adventure, laughter and personal development. We worked together to navigate our way, blindfolded using ropes to guide us through dense woodland; we used our initiative to get our team from one end of a course to another using planks of wood and crates; and we had great fun exploring the site during an orienteering session. Our day ended on Haytor, taking in the lovely views.
