

Topic: Spring Fever!

What can you grow over this coming half term? Take pictures of your efforts - have you grown a certain flower before? Try something different this time!

Make some beautiful nature inspired art work. You could collage, sketch, paint, make 3D images or even use clay to make your picture...Let your imagination guide you.

Can you create a Spring puzzle for the rest of class to solve? Maybe a wordsearch, a 'spot the difference', a Maths problem or a crossword?

Imagine that one sunny spring day you discover a secret door at the back of your garden. You decide to open the door...
What did you discover? Tell me a story about your adventure in the secret garden!

Trees, trees, glorious trees!
It's Spring, and the deciduous trees are changing! Take a picture of your favourite trees in blossom. Can you name them? Can you draw your own picture of them? Can you do some bark rubbing?

Out and about...
Where have you been over this next spring half term? Take pictures of where you went, and write a recount of your trip.

Birds, birds, glorious birds!
Out and about, how many different birds can you see? Can you look them up in a book or on the internet when you get home - what can you find out about them? Can you draw / take a photo of them? Can you begin your own bird encyclopaedia?!
