Creative Homework Summer 1 2018

Create an acrostic poem for the word RAINFOREST, or one of the named Rain Forests, e.g. The Amazon.

How else can you develop your understanding and produce a creative outcome?

Create a picture of a rainforest using paints, pastels, collage or a medium of your choice

Create a rainforest wordsearch or crossword for your classmates to solve!

Or what about creating a Maths problem with a 'rainforests' context?

Create a poster telling people why the rainforest should be saved.
How can you convince us?

Watch a documentary program or carry out research of your own on the rainforests. What amazed you? How will you share this with the rest of the class?

Design and make your own recycled musical instrument linked to the rainforest, for example, a coffee can drum, chocolate box maracas, chimes, Xylophone - can you record a tune with it?!
