Friday 13th May 2022

Dear Parents / Carers,

I hope you're all well and enjoying the lighter evenings and sunnier starts. As the school week draws to a close, I must start by expressing how proud we all are of the Year 6 children. The key stage 2 SATs have now been completed and we have been so impressed with the learning attitude, resilience and positivity the children have displayed all week. Onto next week and it's the chance for our Year 2 academics to show us all the great progress they've been making in their learning this year, with the Key Stage 1 Assessments. Again, we are all already very proud of you Year 2 – just be the best version of you next week and no one can ask any more.

Next week is 'Walk to School' week. Mr Huxtable will launch the week in Monday assembly then we will have a big push throughout the week on encouraging walking, cycling or scootering to school to promote healthy lifestyles and protect the environment. With 2 weeks to go until the end of term, I have a few key dates for you to be mindful of. We will be holding parent consultation meetings on Wednesday 25th and Thursday 26th of May after school. This is an opportunity to discuss your child's progress and achievements with the class teacher. In addition, our Jubilee picnic on the field will be held on Friday 27th May, at 2pm. We hope you may be able to join us.

Onto our wonderful children. In EYFS our youngest recruits have been setting up their own bird feeders, developing their reading skills and tackling tricky obstacle challenges in their physical development, while in Years 1 and 2 the children have been developing their own storybook sliders and creating healthy wraps.

In Key Stage 2, our talented academics have been visiting The Box museum in Plymouth to explore the local exhibits and model / sketch their own designs. In addition the children have been developing their understanding of plant reproduction, learning Tag Rugby and making tie-dye t-shirt designs.

I feel it's only right to finish the newsletter with Year 6 – our school role models. Well done on finishing your SATs!

Wishing you all a wonderful weekend,
'Be the Best you can Be'
