7th June 2023

Dear Parents,

During the second half of this Summer Term we will be delivering our Sex and Relationship Education (SRE) lessons. Delivery of SRE is taught as part of the science curriculum which requires children in KS1 to

- Know that the life processes common to humans and other animals include nutrition, growth and reproduction
- About the main stages of the human life cycle

SRE belongs not only in the science curriculum but also in PSHE.

If you would like further information, please let me know. Parents are welcome to view the video and we will, of course, be happy to discuss any questions that you may have.

If you would like to withdraw your child from this session, please send a message on Dojo or email admin@yealmpton-primary.devon.sch.uk

Kind regards,

Mrs Ward and Mrs Carkett
