Dear Parents

Sex and Relationship Education

During the second half of this Summer Term we will be holding Sex and Relationship Education sessions for Year 6 that will focus on puberty. These sessions will comprise:

- A presentation that will cover the physical, psychological and behavioural changes caused by puberty.
- Separate Q&A sessions for the boys and girls with myself and Mr Huxtable in which the children will have the opportunity to address any questions, concerns or misconceptions they may have.

You are welcome to discuss the SRE lessons with me should you require any more information. You do have the right to withdraw your child from all or part of the SRE programme. If you would like to withdraw your child from these sessions, please send me a message on Dojo or email admin@yealmpton-primary.devon.sch.uk

With thanks

Mrs Sarah Honywill
