A partner school in the Westcountry Schools Trust (WeST)

Friday 13th September 2024

Dear Parents and Carers,

It has been wonderful to see how well the children have settled back into the routines of school and the teachers are really proud of the successful start they have all made to their learning.

Meet the Parent Meetings

We've had a busy start to the term. Many thanks to all the Yealmpton family who were able to join us on Tuesday for the Parent Welcome Meetings. If you were unable to attend the meetings, the class teachers have posted the information that was shared on Class Dojo.

School Council

This week the children in Years 2 to 6, voted in their school councillors for the Autumn Term. They will be having their first meeting next week with Ms Harris. They will be looking at ways in which we can further develop our school grounds, as part of this they will be asking for some volunteers to help us with weeding our flower beds and getting the school pond area back to its former glory. They will be sending out some more information shortly!

Social Media

In some classes this week they have been talking about social media and the importance of staying safe on line. The children were surprised about the age restrictions on some popular social media platforms. A good link for continuing discussions at home about using social media responsibly and safely can be found here, <https://www.vodafone.co.uk/help-and-information/nspcc-phone-safety-toolkit/01-safe-phone-use>

Parent Forums

We are pleased to be able to share the Parent Forum dates for the year ahead, these are informal drop in sessions that aim to give more opportunity for parent voice.

Co-Headteachers:
