British Science week any offers of help?

We will be celebrating British Science Week on the week beginning Monday 9th March. In preparation for this, we would like to ask if there are any parents who would be able to help deliver science-based sessions over the week. We are holding a meeting after school in the Year 4 classroom on Tuesday 20th January to discuss arrangements for this. If you feel that you could help in any way, we would love to see you there. If you are unable to make this date, please send
