

Friday 5<sup>th</sup> March

Week 8

Hello Yealmpton Family,

World Book Day was a roaring success!! Throughout the morning, the children were amazed to discover that mysterious dinosaur bones had been uncovered right here at school! Each class came to visit the discovery site, take a closer look at the bones, and share their brilliant ideas about what type of dinosaur it might belong to. The excitement and curiosity from the children was fantastic to see!

We were also blown away by the incredible costumes for World Book Day today! The children looked fantastic, with so many creative characters brought to life from their favourite stories. From classic book characters to imaginative homemade outfits, everyone made a wonderful effort.

A huge well done to all the children (and families!) for making today such a fun and memorable day. We loved seeing the excitement for books, stories and a little bit of prehistoric mystery!

#### **Red Nose Day!**

On Friday 20<sup>th</sup> March we will be raising money for Comic Relief. School Council have been busy planning for the day and are excited to share what they have come up with 😊.

- Children will be invited to come into school wearing red or pajamas! We are asking for a donation of £1 for this.
- The theme for Red Nose day is all about being a little bit silly so School Council have asked for some grown ups in school to be a little bit silly! So if on Red Nose Day our total is £300, some of the adults will be involved in some silly activities. One I have already heard of is a cream pie to the face!

School Council will do an assembly to raise awareness for Red Nose day and the purpose of Comic Relief and there will be Red Nose Day activities for children to do also.

If you would like to donate to Comic Relief and see some of our group ups involved in some silly antics, please donate via our school Just Giving page:
